*Member of Zonta International*

*Be It Known By All Present*

Whereas March 8 is International Women's Day;

Whereas Zonta International has declared March 8  
"Zonta Rose Day"

– a day to reflect on past successes and future challenges  
in the struggle to improve the status of women worldwide,  
and a day to honour women in the community for  
their outstanding contributions to the common cause;

Whereas the Zonta Club of Victoria annually celebrates  
March 8 by honouring outstanding women who have  
made their mark in public affairs in Greater Victoria; and

Whereas the year's winner of the Zonta Club of Victoria's  
Young Women in Public Affairs Award has the opportunity  
to meet outstanding role models;

Therefore it was decided by the members of the  
Zonta Club of Victoria to declare

*Canadian Federation of  
University Women Victoria  
Victoria Zonta Women of the Year 2009*

We honour CFUWV on their Centennial for their unwavering pursuit of their goals:
